

The finest ingredients
for your industrial
and retail requirements.

Areks Food brings you the finest tomato and pepper ingredients for your production of ketchup, tomato juice, tomato sauces, pizzas, canned fish products and for your repacking, catering and retail requirements.

Areks Food is the authorised agent of JG Boswell Tomato Company LLC Of California, USA who packs annually over 1.000.000 Mtons of fresh tomatoes into **aseptic tomato paste**. JG Boswell Tomato Company LLC is the world's largest farmer and owns 100% of the farming operations.

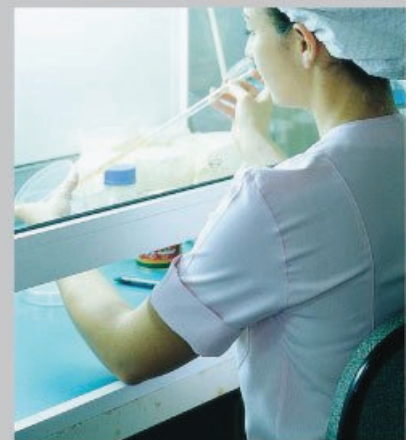

This is unique to the industry as it utilizes 100% backwards integration into tomato agriculture and enables 100% raw material control. Its unique ability of being one farmer enables perfect traceability and sustainability of the product. Various specifications of bulk tomato paste are available for

industrial use. Tomato paste from California combines high quality with competitive prices.

Areks Food is also able to supply Turkish tomato paste for "only Turkish origin users".

Areks Food is proud to supply leading food producers in Mid-East, North Africa and Europe with its high quality products.

Areks Food became an A class, preferred supplier status in a very short period of time to its respective customers.

Areks Food also supplies many retailers, wholesalers and

brand owners worldwide with its high quality **canned tomato paste** products produced through its sister company SalTürk in Turkey, a new establishment only dedicated to canned tomato paste production. Different sizes and specifications are available under various brands. Areks Food is also capable of supplying private label canned tomato paste to retailers and brand owners.

Areks Food also packs various **pepper products**. Chilli and pepper paste, roasted peppers, pepper strips are available in several packing types and specifications.

Areks Food puts product quality, sustainability, reliability into first place. Areks Food is totally export oriented company and exports 100% of its production to various countries in

4 continents. Its export minded attitude and customer focused approach enables it to service its customers in the best manner.

Areks Food is the true global tomato specialist.
