Description

MissFlora® Dishwasher Freshener MissFlora Lemon fights unpleasant odours that are built in the dishwasher. MissFlora Dishwasher Freshener is a unique natural solution to Dishwasher Odors that occur from standing water and food. The product is hygienic and completely food safe. It will not stain and will not harm the environment. Easy to use hanger is provided for quick installation in the Dishwasher. Smell freshly peeled oranges, or the zest of lemons; every time you open your dishwasher! As you load your dishwasher with dirty plates, cutlery, and glasses; bacteria starts proliferating on the food residues. This generates a stale smell in your dishwasher, which is very unpleasant when you re-load your dishwasher in between meals. MISSFLORA 2 in1 Dishwasher Freshener eliminates these malodours, and provides a fresh smell inside your dishwasher throughout

Description:

MissFlora® Humidity Absorber (Refillable) MissFlora Moisture Absorber formula removes excess moisture from the air to eliminate musty odors and reduce allergens caused by moisture. It prevents mold and mildew stains, protects against moisture damage and turns stagnant air into fresher, healthier air. MissFlora Refillable products feature a sturdy container and insert sleeve that can be refilled and reused time and again. They are easy to use and offer an economical and environmentally friendly way to reduce moisture and eliminate odors for long periods of time. The 10.5 oz. is ideal for space that is 150 to 250 sq. ft. in size and lasts up to 45 days. Ideal for: • Bathrooms/Laundry Rooms • Bedrooms • Closets • Cabinets • Offices/Supply Closets • Storage Spaces • Stored Boats/RVs/Classic Cars Usage Tip Because dry fertilizers and pesticides need to be kept dry, use the MissFlora
